## STATEMENT OF OBJECTS AND REASONS

The National Capital Territory of Delhi has been growing phenomenally over the last many years, putting a heavy strain on its infrastructure and resources and *inter alia*, leading to an ever increasing demand for housing, commercial space and other civic amenities. This has resulted in problem of encroachment on public land, growth of slums, unauthorised constructions, commercial usage of residential areas, inadequacy of housing stocks, etc.

2. At the time of preparation of Master Plan for Delhi-2021 (MPD-2021), in order to protect certain forms of unauthorised developments from punitive action, the Delhi Laws (Special Provisions) Act, 2006 was enacted on 19th May, 2006 which was in force for a period of one year. This was followed by similar Acts which were in force for one year each. Subsequently, the National Capital Territory of Delhi Laws (Special Provisions) Second Act, 2011 (the said Act, 2011) was enacted and was in force for a period of three years. It was extended for a further period of three years in 2014 *vide* the National Capital Territory of Delhi Laws (Special Provisions) Second (Amendment) Act, 2014 and its validity is expiring on 31st December, 2017.

3. As per the provisions of the said Act, 2011, orderly arrangements had to be made for relocation and rehabilitation of slum dwellers and *Jhuggi-Jhompri* clusters; regulation of urban street vendors; regularisation of unauthorised colonies, village *abadi* area and their extensions; policy regarding existing farm houses involving construction beyond permissible building limits; regularisation of schools, dispensaries, religious and cultural institutions, storages, warehouses and godowns built on agricultural land; redevelopment of existing godown clusters; orderly arrangements for Special Areas and policy or plan for orderly arrangements for all other areas of the National Capital Territory of Delhi in consonance with the Master Plan on its review.

4. The measures to finalise norms, policy guidelines, feasible strategies for making orderly arrangements to deal with the problem of encroachment and unauthorised development are required to be adopted by the Government of National Capital Territory of Delhi (GNCTD), Delhi Development Authority (DDA), the Municipal Corporations of Delhi (MCDs), etc. These bodies are in the process of taking steps to carry out surveys, simplifying procedures, formulation of redevelopment plan, finalisation of policies, obtaining approvals, etc., in this regard. The Central Government has been in dialogue with all the stakeholders to monitor the progress made to complete the action as envisaged in the said Act, 2011. This process involving multiple stakeholders is likely to take some more time. Meanwhile, with adequate provisions having been made in the Street Vendors (Protection of Livelihood and Regulation of Street Vending) Act, 2014, the provision for protection of street vendors under clause (b) of sub-section (I) of section 3 in the said Act of 2011, is no longer needed.

5. The objective of the proposal is to extend the validity of the said Act, 2011 to continue the protection to certain forms of unauthorised developments in the National Capital Territory of Delhi from punitive action for a limited period, i.e., up to 31st December, 2020 and to allow time to the Government, urban local bodies and other organisations involved to take a balanced and well considered view on policies, norms and strategies for orderly implementation of plans regarding these unauthorised developments.

6. In view of above, it is necessary to extend the provisions of the National Capital Territory of Delhi Laws (Special Provisions) Second Act, 2011 for a period of three years from 1st January, 2018 to 31st December, 2020.

7. The Bill seeks to achieve the aforesaid objectives.

NEW DELHI;  
The 19th December, 2017.
