STATEMENT OF OBJECTS AND REASONS

The Maharashtra Employment Guarantee Act, 1977 (Mah. XX of 1978), has been enacted to make effective provisions for securing right of work by guaranteed employment to all adult persons who volunteer to do unskilled manual work in the rural areas of the State.

2. Considering the success of the Employment Guarantee Scheme in our State, the Central Government has enacted the Mahatma Gandhi National Rural Employment Guarantee Act, 2005 (42 of 2005). Section 28 of the said Central Act, *inter-alia*, provides that, where the State enactment exists or is enacted to provide employment guarantee to rural household consistent with the provisions of the Central Act under which the conditions of employment are not inferior to the conditions guaranteed under the Central Act, the State Government shall have option to implement its own enactment. With a view to ensure smooth, transparent and responsible implementation, the said State Act was amended by the Maharashtra Employment Guarantee (Amendment) Act, 2006 (Mah. LI of 2006). However, the Central Government has, from time to time, by issuing notifications, amended Schedules I and II to the Central Act providing for the 'Minimum Features of a Rural Employment Guarantee Scheme' and 'Conditions for Guaranteed Rural Employment under a Scheme and Minimum Entitlements of Labourers'. It is noticed that unless such provisions are incorporated in the State Act, the provisions of the State Act would become inconsistent with the provisions of the Central Act and to ensure better flexibility in implementation of the Employment Guarantee Scheme, it is considered necessary to amend the State Act, suitably.

3. The Bill seeks to achieve the above objectives.

Mumbai,
Dated the 30th May 2014.

NITIN RAUT,
Minister for Employment
Guarantee Scheme.

By the proposed section 3-A, it is provided that the State Government shall by notification in the *Official Gazette* make a Scheme for providing employment as provided under section 3. At present, the Scheme is being implemented in rural areas, in accordance with the provisions of the Mahatma Gandhi National Rural Employment Guarantee Act, 2005 as well as the provisions of the State Act. The Central Government contributes for the implementation of the Scheme under the Central Act and State Government has to incur the necessary balance expenditure in accordance with the Scheme prepared under the State Act. The necessary recurring expenditure, incurred on this count, at present is Rs. 78,739 lakh. The said amount will have to be incurred out of the Consolidated Fund of the State. Clause 20 of the Bill *inter alia* provides for insertion of section 12-D. By the said section 12-D, it is proposed to make an enabling provision to take power to the State Government to implement the Scheme in urban areas of the 'C' Class Municipal Councils with such modifications as may be deemed necessary.
