STATEMENT OF OBJECTS AND REASONS

The Maharashtra Regional and Town Planning Act, 1966 (Mah. XXXVII of 1966), has been enacted with a view to make provisions for planning the development and use of land in Regions established for that purpose and for the constitution of Regional Planning Boards therefor ; to make better provisions for the preparation of Development Plans with a view to ensuring that town planning schemes are made in a proper manner and their execution is made effective ; to provide for the creation of new towns by means of Development Authorities ; to make provisions for the compulsory acquisition of land required for public purposes in respect of the plans, etc.

2. The said Act, *interalia*, provides for a time-bound programme for all the planning process and if the Planning Authority fails to make the planning within the specified period, the entire process of planning may get lapsed. The Act also provides for a timeline regarding development permission, acquisition of land and other permissions, and after the specified period, the relevant permissions are deemed to have been approved or, the relevant action are deemed to be lapsed, as the case may be.

3. In the backdrop of the lockdown to prevent the spread of pandemic Covid-19 Corona Virus, it was considered expedient to amend sections 26 and 148-A of the said Act. It was, therefore, considered expedient to provide that the said amendments shall be with effect from the 23rd March 2020, being the date of enforcement of the lockdown measures due to pandemic in the State.

4. The salient features of the said amendments are as under :—

(i) Amendment of section 26.—Section 26 of the said Act provides that every Planning Authority shall prepare and publish the draft Development plan for the area under its jurisdiction, within the period of two years from the date of declaration of intention to prepare the Development plan. The said section, *interalia*, also provides that such period may be extended by twenty-four months in case of Municipal Corporation having population of one crore or more and twelve months in case of Municipal Corporation having population ten lakh or more but less than one crore. It was proposed to provide that such period may also be extended in case of planning authorities having population of ten lakh or more.

(ii) Amendment of section 148-A.—Section 148-A of the said Act provides for exclusion of time in computing the period in relation to any Development plan, Regional plan or scheme under the provisions of Chapters II, III, IV and V of the Act. Said section 148-A provides that, in computing the period or periods during which any action could not be completed under the said Chapters due to any interim order of any court or due to enforcement of any Code of conduct by the Election Commission of India or the State Election Commission in respect of any election, shall be excluded. It was also proposed to exclude the period of enforcement of guidelines or lockdown measures of any pandemic or

epidemic or disaster situation in the Country or State, as the case may be, in computing the period in relation to any Development plan, Regional plan or scheme under the provisions of said Chapters.

5. As both Houses of the State Legislature were not in session and the Governor of Maharashtra was satisfied that circumstances existed which rendered it necessary for him to take immediate action further to amend the Maharashtra Regional and Town Planning Act, 1966 (Mah. XXXVII of 1966), for the purposes aforesaid, the Maharashtra Regional and Town Planning (Amendment) Ordinance, 2020 (Mah. Ord. XV of 2020), was promulgated by the Governor of Maharashtra on the 31st August 2020.

6. The Bill is intended to replace the said Ordinance by an Act of the State Legislature.

Dated the 3rd September, 2020.
