## STATEMENT OF OBJECTS AND REASONS

The Maharashtra Nurses Act, 1966 (Mah. XL of 1966) is enacted to unify and make better provision for regulating the registration and training of nurses in the State of Maharashtra. Section 3 of the Nurses Act provides for constitution and incorporation of the Maharashtra Nursing Council for the purposes of the Nurses Act consisting of certain *ex-officio* members, elected members and nominated members as specified therein.

2. The Government of Maharashtra has enacted the Maharashtra State Board of Nursing and Paramedical Education Act, 2013 (Mah. XXIII of 2013) and established the Maharashtra State Board of Nursing and Paramedical Education. After the establishment of the said Board, the work related to giving sanction or affiliation to the Nursing Institutes and conducting the examinations have been transferred from the Maharashtra Nursing Council to the said Board and the work related to registration of Nurses in the State is left with the Maharashtra Nursing Council. At present, the administrator is appointed on the Council. However it is necessary in the interest of nursing profession, to conduct the election of the said Council with revised constitution. It is also necessary to reorganize the constitution of the Maharashtra Nursing Council and to revise the fees, penalties and criteria of disqualification.

There is no provision in the Nurses Act, enabling the registration of the nurses who are registered in their mother State, but migrating to the Maharashtra for employment. Accordingly it is, necessary to incorporate appropriate provision in the said Nurses Act for the reciprocal registration of such nurses.

It is considered expedient to carry out suitable amendments in the Nurses Act.

3. The Bill seeks to achieve the above objectives.

Mumbai,  
Dated the 25th February 2020.

AMIT DESHMUKH,  
Minister for Medical Education.

## MEMORANDUM REGARDING DELEGATED LEGISLATION.

*Clause 6.*— Under the clause, which seeks to insert a new section 18A in the Maharashtra Nurses Act, 1966 (Mah. XL of 1966), power is taken to the State Government to prescribe form in which an application for reciprocal registration shall be made by any person who has obtained the qualification for registration as a nurse in the State other than State of Maharashtra, fees therefor and form of certificate of reciprocal registration.

2. The above-mentioned proposal for delegation of legislative power is of a normal character.
