STATEMENT OF OBJECTS AND REASONS

Due to the outbreak of pandemic Covid-19, social and economic activities have suffered a setback since 24th March 2020, in the light of the declaration of lockdown in the State. Due to this, functioning of the co-operative societies in the State have also been adversely affected.

As per the provisions of the Maharashtra Co-operative Societies Act, 1960, and the rules framed thereunder, the societies are required to undertake their elections and annual general meeting within the stipulated period. However, due to the outbreak of Covid-19 pandemic, elections and annual general meetings of the society could not be conducted within the stipulated period. It is, therefore, considered expedient to amend the said Act, suitably.

Similarly, section of 27 of the said Act is amended to provide relief to the members of co-operative societies till March 2021, due to the epidemic of Covid-19. However, before the amendment, as per the provisions of sections 26 and 27, the members affected by Covid-19 could not restore their rights. In this regard, writ petition is filed in the Bombay High Court and the Bombay High Court has directed the State Government to consider the need to carry out suitable amendments in section 26 of the said Act.

2. Considering the prevalence of Covid-19 pandemic and the consequent increase in the number of affected patients thereby in the State, the State Government is also required to impose strict restrictions on movements of persons in the State, as a measure to control it and the Government has also postponed the elections of all the co-operative societies in the State upto 31st August 2021, by order, dated the 6th April 2021. As such, as per the provisions of section 26 of the said Act, certain members are deprived of the right to vote, by not remaining an active member.

The said section 27 provides for voting powers of members. Sub-section (1A) thereof provides that, the member who is not an active member shall not be entitled to vote. In order to be an active member, the member of the society should participate in the affairs of the society and should avail minimum services of the society as specified in the bye-laws of the society.

A member who have attended one annual general meeting in the last preceding five years annual general meetings and who has availed the minimum services of the society is said to be an active member of such society.

It is noticed that, in view of the pandemic Covid-19, the several societies are not able to conduct the annual general meeting within six months of close of financial year and consequently, member may not be continued to be an active member.

In view of above, it is considered expedient to amend sub-section (2) of section 26 and sub-section (1A) of section 27, suitably, so as to enable a member to remain as an active member and the eligible to cast his vote in the election of the society for the year 2021-22.

3. The Bill is intended to achieve the above objectives.

Mumbai,
Dated the 29th June 2021.

BALASAHEB PATIL,
Minister for Co-operation.
