Sections 26, 27 and 35 of the said Act prescribes the time limit for making application for permission to open new institution, new course, additional faculties, new subjects, additional divisions, closure of institution and forward the application to the Government after scrutiny. Sub-section (3) of said section 26 provides that, the management seeking permission to open a new institution shall apply in the prescribed form to the Board before the last day of October of the year preceding year from which the permission is sought. Sub-section (4) of said section 26 provides that, all such applications received within the aforesaid prescribed time limit, shall be scrutinized by the Board and be forwarded to the Government on or before the last day of December of the year. Sub-section (5) of section 27 provides the procedure for permission for new courses, additional faculties, new subjects and additional divisions. Sub-section (2) of section 35 provides that, the management desirous of closing down the institution shall apply to the Board on or before the last day of the April of the preceding year. However, due to outbreak of the Covid-19 pandemic, it was not be possible to follow the time limit prescribed in the said Act.

2. The whole of India is facing the Covid-19 pandemic which has adversely affected the educational and socio-economic field to a large extent. The pandemic has also created employment related problems for the young generation. Keeping in view of such grave situation and to boost the educational and employment opportunities for young people by providing them skills sets in upcoming areas as proposed from time to time by the Government of India and Government of Maharashtra, it was considered expedient to specify the new time schedule for making application for permission to open new institution, new course, additional faculties, new subjects, additional divisions, closure of institution and forward the application to the Government after scrutiny, for the academic year 2021-22. For the purpose, it was considered expedient to amend the sections 26 and 35 of the Maharashtra State Board of Technical Education Act, 1997, suitably.

3. As both Houses of the State Legislature were not in session and the Governor of Maharashtra was satisfied that circumstances existed which rendered it necessary for him to take immediate action further to amend the Maharashtra State Board of Technical Education Act, 1997, for the purposes aforesaid, the Maharashtra State Board of Technical Education (Amendment) Ordinance, 2021, (Mah. Ord. II of 2021), was promulgated by the Governor of Maharashtra on the 2nd September 2021.

4. The Bill is intended to replace the said Ordinance by an Act of the State Legislature.
