Amendment of section 23 of Mah. LIV of 1981.

## STATEMENT

The Maharashtra Marine Fishing Regulation Act, 1981 (Mah. LIV of 1981) has been enacted to provide for the regulation of fishing by fishing vessels in the sea along the coast line of the State of Maharashtra and for matters connected therewith or incidental thereto. The State Government, from time to time, issues orders under the said Act to regulate fishing after taking into consideration need to protect the interests of different sections of persons engaged in fishing particularly traditional fishermen and need to conserve fish and to regulate fishing on a scientific basis and to maintain the law and order in the sea.

2. Considerable amount of time has elapsed since the enactment of the said Act. The fisheries and fishing practices have changed over a period of time. Due to increase in pendency of cases before the Tahsildar, as an Adjudicating Officer, it is considered expedient to declare an officer of the Fisheries Department as an Adjudicating Officer instead of Tahsildar. It has been noticed that, the decision making process for regulation of fishing by the Government has been delayed for want of timely advise from the District Advisory Committees. The penalties provided in the Act have not been changed since its enactment. In view of above, the Government considered it expedient to amend certain provisions of the said Act.

3. The salient features of the proposed amendments are as follows, namely :—

(i) to declare the Assistant Commissioner of Fisheries having jurisdiction as Adjudicating Officer instead of Tahsildar ;

(ii) to define new terms "fish", "fishing gear", "fisheries", "master", "mechanized vessel", "motorized vessel", "non-motorized vessel", "operator (*tandel*), "owner" and "sustainable fishing" ;

(iii) to provide for the State Advisory and Monitoring Committee to recommend to the State Government the regulations to be enforced in Chapter II and to coordinate, monitor and to give advice or directions to the District Committees ;

(iv) to regulate number of crew members and fishing gear in case of different fishing vessels and types of fishing ;

(v) to provide that fishermen and their co-operative societies shall be bound to comply with any instructions or directions issued by coastal police and officers of the Fisheries Department for safety of fishermen and law and order ;

(vi) to provide for giving licence to master or operator (*tandel*) of a motorized or mechanized fishing vessel ;

(vii) to provide for seizing accessories and fishing gear fitted on the vessel ;

(viii) to provide for enhanced penalties for contravention of any provisions of the Act or of any order or rule or any of the conditions of license in case of different types of vessels used in fishing and for contravention of different types of regulations ;

(ix) to provide for filing of an appeal against the orders of Licensing Officer or Registration Officer as well as against the orders of an Adjudicating Officer before the Commissioner of Fisheries as First Appellate Authority and the Government as Second Appellate Authority ;

(x) to make a provision for cognizance of offences.

4. As both Houses of the State Legislature are not in session and the Governor of Maharashtra is satisfied that circumstances exist which render it necessary for him to take immediate action further to amend the Maharashtra Marine Fishing Regulation Act, 1981, for the purposes aforesaid, this Ordinance is promulgated.

Mumbai,

BHAGAT SINGH KOSHYARI.

Dated the 18th November 2021.

Governor of Maharashtra.

By order and in the name of the Governor of Maharashtra,

JAGDISH GUPTA,

Principal Secretary to Government.
