### STATEMENT OF OBJECTS AND REASONS

The Rajasthan Bovine Animal (Prohibition of Slaughter and Regulation of Temporary Migration or Export) Act, 1995 is in force in the State. Section 5 of this Act prohibits the export of bovine animals from any place within the State to any place outside the State for the purposes of slaughter. However, there are reports that bovine animals are being taken out of the State illegally and mechanical means of conveyance are being used for such illegal transportation of bovine animals.

At present there is no provision in this Act for seizure and confiscation of the means of conveyance which is used in connection with the commission of an offence punishable under this Act. Therefore, it is proposed that on the lines of the provisions contained in section 69 of the Rajasthan Excise Act, 1950 a provision may be made in this Act for seizure and confiscation of the means of conveyance which has been seized in connection with the commission of any offence punishable under this Act. The power of seizure is proposed to be delegated to the Competent Authority or any person authorized in writing in that behalf by the Competent Authority and the power of confiscation is proposed to be delegated to the Competent Authority under this Act. Accordingly, a new section 6-A is proposed to be inserted.

At present there is no provision in this Act under which the Competent Authority can arrest any person who in his presence commits an offence punishable under this Act. For making the provisions of the Act effective it is proposed to insert a new section 12-A in the Act to provide that the Competent Authority or any person authorized in writing in that behalf by the Competent Authority may arrest or cause to be arrested any person who in his presence commits an offence punishable under this Act.

An opportunity is also availed to clarify the definition of bovine animal so as to expressly exclude therefrom buffalos and its progeny.

The Bill seeks to achieve the aforesaid objectives.

Hence the Bill.
